Our Commitment to Accessibility

ERTH Power is committed to providing quality service that is accessible to all employees and members of the public, including those with disabilities. We continually strive to meet this commitment by preventing and removing barriers to accessibility and meeting accessibility standards. ERTH Power has adopted the standards of the Accessibility for Ontarians with Disabilities Act and we have trained our employees to meet these standards.

Please read ERTH Power's accessibility policy to learn more about our commitment. Download the PDF [here](#).
