

Planned Outage for Port Stanley on September 11, 2022

- ERTH Power has been notified by Hydro One of a 90-minute area-wide planned power outage that will affect ERTH Power customers in Port Stanley on Sunday, September 11th at 6:00am so Hydro One crews can safely perform critical work at the Edgeware Transmission Station.
- The power outage will take place on Sunday, September 11 from 6:00 a.m. to 7:30 a.m. and affect 6,684 Hydro One customers in Fingal, Oneida Nation of the Thames and the surrounding area as well as all Entegrus customers in St. Thomas and all ERTH Power customers in Port Stanley.
- Affected ERTH Power customers can call 1-877-850-3128 or visit our Power Outages web page for more information.
