New customers

We're proud to supply your business with safe, reliable power. As a new customer you will need to set up an account with EARTH Power to ensure your business has access to power on the day you move in.

Setting up your account will only take a few minutes. Simply complete the online application form or call our Customer Service department 48 hours prior to your move in date and we will walk you through the account set-up process. A security deposit may be necessary. For further information please contact us.
