

Residential Conservation

Residential Conservation Programs

The Government of Ontario has made changes to the conservation programs in Ontario and directed the Independent Electricity System Operator (IESO) to centrally deliver energy-efficiency programs until December 31, 2020. The following residential conservation programs will no longer be available:

- Instant Discount (Deal Days)
- Heating and Cooling Program

For information regarding the Home Assistance Program (HAP), please contact the IESO toll free at 1-877-797-9473 or visit www.saveonenergy.ca
